ACCESSORIES FOR THE UNIVERSAL WHEEL DOLLY

EQ C324A Threshold Ramp

Crossing raised doorway thresholds, drainage system or any other uneven surface becomes much easier when using the Threshold Ramp. The ramp fits over a 2" threshold. Also great for bed dollies. Size: 18"x18". Comes as set of 2.

EQ C324C Frame Rack Plates

The Frame Rack Plates are designed for the Chief frame machines, allowing you to easily pull disabled vehicles on and off your frame racks. Comes as a set of 4.

EQ C324K Conventional Frame Bracket

The conventional frame saddle bracket is an excellent way to help you move frames, full frame cars or trucks and even suspension damaged vehicles. Comes as a set of 2.
